Dear Sir/ Madam,

Re: An appeal for Sponsorship

Title of Book: Christformation In You by Ronald and Christinal Pillai

Sub-title: From Genesis to Revelation: The Big Picture

Published: 19th January 2012 Reprint Dates: March & August 2012

No. of pages: 272 ISBN: 978-1-4497-3577-7

We, Ronald and Christinal Pillai, as authors of the listed book, would like to make our sincerest appeal to all would-be sponsors for the joint success of; **Every Prison a Copy (EPAC)**, a world-wide project for year 2012/2013. We make this appeal to ensure every prison or rehabilitation institution in this world has a copy of this book in its library, made available for inmates to read and apply the extra ordinary message in it to their personal lives.

As we have written and published the overview of Christformation in You at the back-cover; "Christformation is about the divine nature of Christ being successfully formed in the believer to the fullest, which is the Heavenly Father's predestined and eternal will for everyone who believes, loves and obeys Christ our Lord".

It is stressed in **Christformation In You** that, before the divine nature of Christ could be formed in a believer of Christ; one has to deal with the sinful nature of the Devil within, by putting to death the misdeeds of that sinful nature. This could only occur as one obeys Christ's commandments reminded by God the Holy Spirit who dwells within the believer.

This book is deemed necessary for the effort of reducing the recidivism rate of offenders by the overcoming of their innate struggles of the sinful nature within them. Believers in incarceration could benefit greatly from the knowledge it provides towards its practical application in their daily living.

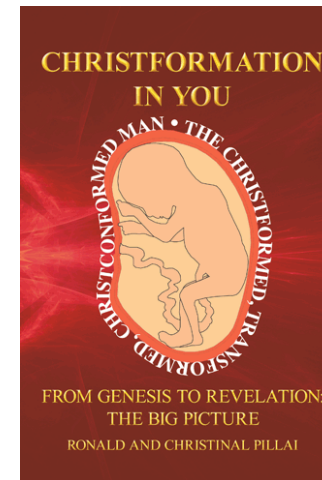

HOW YOU COULD BE INVOLVED?

You could sponsor a minimum of one-copy contribution or in indefinite amounts of copies as you wish. Every prison in this world would have a copy of **Christformation In You** in their library as a result of your sponsorship. There are uncountable millions of prisons or drug rehabilitation centers in this world. Having worked in a prison in South East Asia, as a Prison officer for twelve years, Ronald had taken note of the reading habits of inmates while in incarceration. It has been proven to be an effective tool for rehabilitation of inmates in some countries such as in Brazil to reduce recidivism rate of inmates. What more, it could do well when it is a powerful and relevant book such as this!

Your contribution per book is RM29.90 (US10 dollars) only. You could buy one or more and donate them to the prison nearest to you or you could provide this donation through us or from Canaan Land Bookstore (\$) online. We have in mind 10,000 books for the start to distribute world-wide for the first batch. We appreciate in advance of your kind sponsorship.

Remember those in prison as if you were their fellow prisoners, and those who are mistreated as if you yourselves were suffering. Hebrews 13:3

What Ronald and Christinal Pillai has to say:

We have been in prayer and intercession for all prisoners/inmates of all correctional institutions of this world since 1991. We are always burdened for them to see lasting change come into their lives. We truly would like to see a reduced recidivism rate in all prisons. Our contribution is this book we have written and there are eleven other books to be written and published one by one as the LORD permits us. This first book will surely touch lives there.
